

TAS AUCTION 2020 COMES TO AN END

The eBay Auction to support the Texas Archeological Society came to an end on Sunday night, September 13th at 7 p.m. In five months the Houston Archeological Society and in particular HAS Vice President Larry Golden, our eBay auctioneer, raised over \$7,000 to donate to TAS. In addition, an HAS member who wishes to remain anonymous matched our original goal of \$6,000 with his own \$6,000 so through this eBay auction we raised over \$13,000 toward the TAS budget shortfall of \$18,000 in 2020 due to Covid 19 cancelled Academies, Field School and the TAS Annual meeting. We'd like to thank all HAS and TAS members who generously donated items to this auction. We could not have done this without you!!! We did have some items left over and, with donor's permission, they will be offered in the Silent Auction at the 2021 TAS Annual Meeting which will be held in Houston. Once again, thanks to everyone who participated in this auction!
